RE: AMB v John V. Dommissie, M.D.
Case # MD-04-0400A

Dear Mr. Marton:

The purpose of this letter is to inform you that during the course of the August 11, 2005 public meeting, the Arizona Medical Board (Board) reviewed the above-referenced complaint and all pertinent evidence and information gathered during the investigation. At the conclusion of its review, the Board voted to issue an Advisory letter for failure to undergo a PACE evaluation within the time frame specified in the Order. This is a minor technical violation in light of the legal circumstances surrounding this case.

An advisory letter is a non-disciplinary action, and is not subject to review by either the Board or the Courts. See *Murphy v. Board of Medical Examiners of the State of Arizona*, 190 Ariz. 441, 949 P.2d 530 (App. 1997). However, the licensee may file a written response to the letter with the Board within thirty days after its receipt A.R.S. § 32-1451(E)(2). If timely received, the response will be attached to the advisory letter and maintained in the licensee's permanent file. The written response will also be hyperlinked to the licensee's profile on the agency's website.

Sincerely,

Erica Bouton
Board Coordinator
